

Germany and Austria 2014

To Germany is where Mary Beth and I did go,
To meet up with Amanda who had places she wanted to show.
Frankfurt, Marburg, Heidelberg, Berlin and Karstädt, Germany,
Were cities we visited with sights that were many.

Our last day in Berlin, we had to say good bye,
As home is where Amanda had to fly.

On to Vienna, Austria Mary Beth and I wanted to see,
But for a short time our visit had to be.

Throughout this trip, there were beautiful sights that took our breath away,
At times I would experience feelings of wanting to stay.

I continue to think about how amazing this trip was to take,
The many and beautiful memories we did make.

This trip will be one that I will always remember,
One that I will treasure forever.
